

CONCLUSION

Applicant respectfully submits that all changes made to the specification have been made for purposes of clarity and to place the Application in good condition for allowance.

Applicant also wishes to point out that the Claims have been renumbered in the present amendment such that only one claim is numbered as Claim 29. Applicant wishes to apologize for any inconvenience which the misnumbering may have caused the Examiner.

Applicant further acknowledges that in the parent of the present Application, Claims 21-27 were withdrawn from consideration as being drawn to a different invention. Therefore, Applicant has also canceled Claims 21-27 without prejudice in the present Application.

Applicant respectfully submits that all Claims remaining in the present Application are in condition for allowance and an early allowance would be appreciated.

If a telephone call would expedite prosecution of the present Application, the Examiner is invited to contact Applicant's attorney.

Respectfully submitted,
